Neighbors by Ring
Memorandum of Understanding

This agreement is entered into this 5th day of April, 2019 by and between Ring LLC ("Ring") and Bloomfield Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Bloomfield's ("Township") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to Township residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

Hello Captain Kerney,

My name is Dylan Judson and I am going to be your primary point of contact at the Ring neighbors departments moving forward. I wanted to circle up with you and see if you had a time to connect for a brief webinar with the key players listed above?

This should not take more than 45 minutes to an hour and will be the first step in getting your department up and running on the platform.

Do you have availability this week in the afternoon of Thursday or Friday? If not I would also be happy to connect at your convenience the following week.

Please let me know what works best for you,

Hello Captain Kerney,

My name is Dylan Judson and I am going to be your primary point of contact at the Ring neighbors departments moving forward. I wanted to circle up with you and see if you had a time to connect for a brief webinar with the key players listed above?

This should not take more than 45 minutes to an hour and will be the first step in getting your department up and running on the platform.

Do you have availability this week in the afternoon of Thursday or Friday? If not I would also be happy to connect at your convenience the following week.

Please let me know what works best for you,

Dylan brings extensive experience in the business and is well positioned to successfully onboard and work with you and Bloomfield Police Department.

The next step to commence Portal onboarding will be to set up a 1-hour webinar with you, key stakeholders and Dylan. As the onboarding is of a 'train-the-trainer' style, we only require the following personnel to join:

- **Partnership Coordinator** - main champion for the Ring partnership
 - Name - Captain Vincent Kerney
 - Email - vkerney@bloomfieldnypd.com
- **Press/Media Coordinator** - typically the PIO who will coordinate the initial partnership announcement and ongoing PR
 - Name - TBD
 - Email - TBD
- **Social Media Coordinator** - person(s) in the department who manage(s) comments on Facebook, Twitter, NextDoor, etc
 - Name - TBD
 - Email - TBD
- **Community Relations Coordinator** - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.
 - Name - TBD
 - Email - TBD
- **Investigative Coordinator** - your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of videos.
 - Name - Detective Jeremy Peters
 - Email - TBD

Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership. Please ensure you have access to a computer in order for us to screen-share the Portal with you. Do you have availability this week in the afternoon of Thursday or Friday? If not I would also be happy to connect at your convenience the following week.

Captain Kerney,

Please find the fully signed MOU agreement, attached. Thank you for working with me through this process. Please allow me

to introduce you to your Partner Success Manager - Dylan Judson.

Dylan brings extensive experience in the business and is well positioned to successfully onboard and work with you and Bloomfield Police Department. The next step to commence Portal onboarding will be to set up a 1-hour webinar with you, key stakeholders and Dylan. As the onboarding is of a 'train-the-trainer' style, we only require the following personnel to join:

- **Partnership Coordinator** - main champion for the Ring partnership
 - Name - Captain Vincent Kerney
 - Email - ykerney@bloomfieldnjpd.com
- **Press/Media Coordinator** - typically the PIO who will coordinate the initial partnership announcement and ongoing PR
 - Name - TBD
 - Email - TBD
- **Social Media Coordinator** - person(s) in the department who manage(s) comments on Facebook, Twitter, NextDoor, etc
 - Name - TBD
 - Email - TBD
- **Community Relations Coordinator** - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.
 - Name - TBD
 - Email - TBD
- **Investigative Coordinator** - your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of videos.

- o Name - Detective Jeremy Peters
- o Email - TBD

Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership. Please ensure you have access to a computer in order for us to screen-share the Portal with you. Dylan, could you please coordinate with Captain Kerney to identify a day and time that works for all of your schedules?

Thank you, to you both, for your time.

My name is Dylan Judson and I am going to be your primary point of contact at the Ring neighbors departments moving forward. I wanted to circle up with you and see if you had a time to connect for a brief webinar with the key players listed above?

This should not take more than 45 minutes to an hour and will be the first step in getting your department up and running on the platform.

Do you have availability this week in the afternoon of Thursday or Friday? If not I would also be happy to connect at your convenience the following week.

Please let me know what works best for you,

Captain Kerney,

Please find the fully signed MOU agreement, attached. Thank you for working with me through this process. Please allow me to introduce you to your Partner Success Manager - Dylan Judson.

Dylan brings extensive experience in the business and is well positioned to successfully onboard and work with you and Bloomfield Police Department. The next step to commence Portal onboarding will be to set up a 1-hour webinar with you, key stakeholders and Dylan. As the onboarding is of a 'train-the-trainer' style, we only require the following personnel to join:

- **Partnership Coordinator** - main champion for the Ring partnership
 - Name - Captain Vincent Kerney
 - Email - vkerney@bloomfieldnjpd.com
- **Press/Media Coordinator** - typically the PIO who will coordinate the initial partnership announcement and ongoing PR

- Name - TBD

- Email - TBD

- **Social Media Coordinator** - person(s) in the department who manage(s) comments on Facebook, Twitter, NextDoor, etc

- Name - TBD

- Email - TBD

- **Community Relations Coordinator** - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.

- Name - TBD

- Email - TBD

- **Investigative Coordinator** - your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of videos.

- Name - Detective Jeremy Peters

- Email - TBD

Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership. Please ensure you have access to a computer in order for us to screen-share the Portal with you. Dylan, could you please coordinate with Captain Kerney to identify a day and time that works for all of your schedules?

Thank you, to you both, for your time.

Sincerely,

Hello everyone,

Now that we have our Remote Onboarding completed, I wanted to introduce Kaleigh Bueckert-Orme from our PR Team (CC'd) along with initial press packet of materials below for your review.

First announcement item to note is the In-App message pushed out by Ring as simple a courtesy message so our existing users in the area know that your Department will be joining the conversation (see example & more info [here](#)).

Beyond the in-app message, please review the press packet materials below and be sure to coordinate broader announcement plans and draft materials with Kaleigh from our media team in advance and before anything can go out to the press or public.

[Click here](#) to access the Announcement Press Packet and download the following materials;

- **Press Release Template:** Meant as a starting point template with standard messaging for you to update and send as final draft (via Media@ring.com) so our PR team can review and sign off before your team distributes via local press list, Dept. website, social media pages & any other preferred channels.
- **Sample Social Media Posts:** Sample content for posting the initial announcement via Facebook, Twitter, Nextdoor & any other social channels in tandem with the press release.
- **Talking Points & Reactive Q&A:** Basic talking points and answers to commonly asked questions for Dept. representatives to use when speaking about the Neighbors app and our partnership with the press/public.
- **Neighbors App Logo & Imagery:** High-res versions of the Neighbors app logo and other contextual images to incorporate with PR materials as needed.

The Neighbors App download link and simple text info below should be included in the initial announcement and in any future public communications from the Dept. when appropriate so that residents are able to download the app and participate;

Download Link: <http://download.ring.com/neighbors>

Simple Text Info: Or, simply text 'StaySafe' to 555888 from your smartphone. (*not case sensitive*)

That's it for now! Let us know once you've had a chance to review and if you have any questions in the meantime.

Best,

Hi Captain Kerney,

We like to review the press releases before they go out to check for any inaccuracies and ensure that all the information is correct. For example, in the News 12 report, Public Safety Director Sam DeMaio states that they're asking everyone with a Ring system to sign up for the Neighbors app. We'd like to clarify that anyone, regardless if they own a Ring device or not, can sign up for Neighbors and post videos that were caught on other security devices, photos they captured on their phone, or text-based posts. Feel free to loop us in with the media in the future if they want any other talking points or information as well.

In the release posted to Facebook, we would want to ensure that ring is consistently spelled "Ring" and that the "ring program" is referred to as the Neighbors app. These are just small edits that help sort out any confusion for residents and media.

Would you be able to update the release posted to Facebook and Twitter?

Please let me know if you have any questions or if we can help in any other way.

Thanks!
Kaleigh

The two items that you referenced are direct quotes from the public safety director. Unfortunately I can not make him say anything specific. All of the information was copied and pasted directly from your press releases with the exception of the quotes.

For the quote in the press release posted to Facebook, can we please change the two edits that we sent through? Capitalize "Ring" and update to Neighbors app. Everything else in the release is correct.

If you have any other interviews in the future regarding the Neighbors partnership, please feel free to loop us in!

Thanks,
Kaleigh

Hi Captain Kerney,

We like to review the press releases before they go out to check for any inaccuracies and ensure that all the information is correct. For example, in the News 12 report, Public Safety Director Sam DeMaio states that they're asking everyone with a Ring system to sign up for the Neighbors app. We'd like to clarify that anyone, regardless if they own a Ring device or not, can sign up for Neighbors and post videos that were caught on other security devices, photos they captured on their phone, or text-based posts. Feel free to loop us in with the media in the future if they want any other talking points or information as well.

In the release posted to Facebook, we would want to ensure that ring is consistently spelled "Ring" and that the "ring program" is referred to as the Neighbors app. These are just small edits that help sort out any confusion for residents and media.

Would you be able to update the release posted to Facebook and Twitter?

Please let me know if you have any questions or if we can help in any other way.

Thanks!

Captain Kerney,

A large part of the opt in for video requests is based on the interaction law enforcement has with the community. The agencies with the best opt in rate are the ones that are actively sharing on social media, having community outreach speak at meetings and spread via word of mouth.

In regards to video requests you should also be looking to see if you can accumulate tips not just footage on the portal. When you put a video request out it goes to ring device owners who have footage during the timeframe the incident occurred. There are people who are on the app that may have seen something that can be helpful even though they don't own a security camera.

I have noticed you have been posting alerts and receiving feedback from the community. You are doing a great job interacting with them and this will be critical in regards to increased opt in rate. The more users you have the more useful information you can collect.

If there is anything I can send you that you think would be helpful for your community please let me know and I would be more than happy to help.

Thank you for reaching out!

Captain Kerney,

It was a pleasure chatting with you today. Thank you for arranging our meeting to learn about Ring's approach to reducing crime in communities.

An overview of our program:

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to active investigations.

As you review the attached MOU, or if others will be charged with this task, please feel free to contact me at any time. My cell number is 832-992-9910. As part of our security protocol, I have mailed out a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, prior to sharing it with us. Once we receive the signed copy of the MOU, we can move forward with the on-boarding.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR and Media team for support.

Thank you again for meeting with me. I look forward to working with you and Bloomfield Police Department.

Sincerely,

Captain,

Thank you for your email. I have shared the MOU with our team. I'm going to get this processed and get a counter signature. Once that is complete, I'll share the completed MOU with you and will make introductions to our partner success team and we will have you on-boarded. This process should take approximately 3 weeks or less. Please feel free to call or email me if you have any questions.

Thank you for your time. We look forward to working with you!

Sincerely,

Captain Kerney,

Please find the fully signed MOU agreement, attached. Thank you for working with me through this process. Please allow me to introduce you to your Partner Success Manager - Dylan Judson.

Dylan brings extensive experience in the business and is well positioned to successfully onboard and work with you and Bloomfield Police Department. The next step to commence Portal onboarding will be to set up a 1-hour webinar with you, key stakeholders and Dylan. As the onboarding is of a 'train-the-trainer' style, we only require the following personnel to join:

- **Partnership Coordinator** - main champion for the Ring partnership
 - Name - Captain Vincent Kerney
 - Email - vkerney@bloomfieldnjp.com
- **Press/Media Coordinator** - typically the PIO who will coordinate the initial partnership announcement and ongoing PR
 - Name - TBD
 - Email - TBD
- **Social Media Coordinator** - person(s) in the department who manage(s) comments on Facebook, Twitter, NextDoor, etc
 - Name - TBD
 - Email - TBD
- **Community Relations Coordinator** - the person who oversees the team that interfaces with the community at events, HOA meetings, Neighborhood Watch meetings, etc.
 - Name - TBD
 - Email - TBD
- **Investigative Coordinator** - your resident expert when the department wants to send a video request. This person will be trained on best practices for ensuring the maximum participation and sharing of videos.
 - Name - Detective Jeremy Peters
 - Email - TBD

Involvement by each of these groups is essential for active community participation (specifically on video requests) and overall long-term success of the partnership. Please ensure you have access to a computer in order for us to screen-share the Portal with you. Dylan, could you please coordinate with Captain Kerney to identify a day and time that works for all of your schedules?

Thank you, to you both, for your time.

Sincerely,

Rohit D. Murti
